## PROFESSIONAL EXPERIENCE

### Front end Web Developer

SELF-EMPLOYED

2019- Present

From December 2019 I started learning web development, JavaScript, ReactJs, NodeJs, Postgres, etc. out of pure passion and desire to work in this field. I am still at the beginning of my career, but I aim to learn something new every day. If you want to see my results please access my portfolio: [https://raressanduconstantin.github.io/modern\\_portfolio/index.html](https://raressanduconstantin.github.io/modern_portfolio/index.html)

### Sales Specialist

SC ANTISEL RO SRL

2019- Present

Providing Mass Spectrometry expertise regarding applications, methods and the latest legislation curriculum. Also attend and support local service and support for the products in place to ensure total customer solution and satisfaction.

### Sales Specialist

BRUKER OPTICS

2018-2019

Involved in sales, technical assistance, demonstrations and trainings for the analytical laboratory equipment. Actively involved with the marketing of Bruker's products, promoting the technology behind the equipment to potential customers.

### Engineer Internship

HEIDELBERGCEMENT

Jun 2017-Sep2017

By intensive learning the process of manufacturing cement I delivered a project at the end of the internship about materials and energy balance of the cement mill, reducing energy costs and waste thus streamlining the production process.
